BHARGAVI KETHA

+91 9553308203 kethabhargavi20@gmail.com

Objective:

Aspiring Software Engineer with a strong foundation in software development and a passion for solving complex problems. Proficient in full-stack development, Artificial intelligence, Natural language processing, Networks techniques. Adept at building efficient, user-centric solutions tailored to address real-world challenges.

Education:

Bachelor of Technology in Computer Science and Engineering	2022 -2026
Swarnandhra college of engineering and technology – Narsapuram	**CGPA: 8.48**
Intermediate	2020-2022
Sri Chaitanya junior college – Palakollu	**CGPA: 9.3**
SSC (High School)	2019-2020
B.R.M.V.M High School	**CGPA: 9.3**

Technical Skills:

Programming Languages	C, python,java
Web Languages	HTML, CSS, ReactJS
Operating Systems	Windows 10/11, Linux(Ubuntu)
Tools and packages	MS Office
Designing tools	Canva
Technologies	AWS, AI, Web Development, NLP

Soft Skills:

Highly organized and driven	Adaptability	Teamwork
Empathy	Effective Communication	Leadership qualities
Integrity	Quick Learner	

Projects:

Project 1:

Title of the project: Ai powered disease detection in crops via image processing ;

- Developed AI-powered crop disease detection using image processing.
- Trained machine learning models for accurate disease identification.

Project 2:

Title of the project: Web Application Deployment on EC2

- Deployed web application on EC2 instance
- Configured security groups and web server
- Managed EC2 instance lifecycle
- Demonstrated expertise in AWS cloud infrastructure management

Experience:

Internship: Cloud virtual internship -aws

1. EC2 Instance Creation: Launching and managing virtual servers in the cloud.
2. Deploying Web Applications: Hosting web applications on EC2 instances or other AWS services.
3. S3 Service: Storing and serving static assets, data, or backups.
4. Elastic Load Balancer: Distributing incoming traffic across multiple EC2 instances for scalability and high availability.
5. IAM: Managing access, permissions, and security for AWS resources.

Certifications:

- **Zscaler** zero trust associate certificate
- Introduction to networks **CCNA**
- Technology software development job simulation - **Forage**
- Data analytics process automation -**Eduskills-altyrex** sparked
- Social media marketing -**Hplife**

Personal Information:

Languages Known	English, Telugu, Hindi
Address for Correspondence	Achanta, West Godavari, Andhra Pradesh
